2. I am unable to upload multiple financial documents in the financial certification form. What should I do to attach multiple bank statements or award letters?

You will need to combine all bank statements or award letters together into one Adobe PDF document. If you are unsure how to do this, [visit this website for detailed instructions](#).

3. I made a mistake when entering information in Sunapsis and have submitted incorrect information. How can I correct the information?

Before submitting e-forms, we recommend you review the information carefully to ensure accuracy. If you did make a mistake on the e-form, you can cancel the e-form. An advisor will review and process your request within 10 business days after receiving a complete request. The advisor will check to see that your request is complete and that all of the requested materials are provided. If additional information is needed, an advisor will reach out to you within the 10 business days. If additional materials are needed, the processing of the certificate of eligibility form could take more than 10 business days to process. Please note that we can only process requests in the order we receive them. Please note that business days do not include weekends or holidays.
